Hi Matt,

Did you also review the red-line SAP? I may have missed it from you.

FYI, we're asking for a week extension on the Work Plan. I'm trying to gather all our internal comments today.

I only have one comment on the SAP RTCs.

DTSC Comment 8 is about a mention of UC-2 on Worksheet #10. I didn't look back at the SAP to determine the context but should UC-2 be referenced in the Parcel G SAP?

Best regards,
